

Malé Declaration: Workshop on Health Impacts of Air Pollution
UNEP Regional Resource Center for Asia and the Pacific, Bangkok, Thailand from 15 to 18 October 2007

Monday Oct 15		
Date	Programme	Lead facilitator
09:00-10:00	Opening Session <ul style="list-style-type: none"> • Objectives of the workshop • Discussion of expectations of participants • Male Declaration update presented by Mylvakanam Iyngararasan 	Frank Murray
10.00-10.30	Presentations on studies on effects on health of air pollution and discussion <ul style="list-style-type: none"> • Bangladesh • Bhutan 	Chaired by a Malé country representative
10.30-11.00	Tea/Coffee break	
11:00-12:30	Presentations on studies on effects on health of air pollution and discussion <ul style="list-style-type: none"> • India • Iran • Nepal • Pakistan • Sri Lanka 	Chaired by a Malé country representative
12:30-13:30	Lunch	
13:30 -15.00	Synthesis: What are the generic lessons we can learn from these studies on effects on health of air pollution in South Asia?	Workshop facilitated by Dieter Schwela
15.00 – 15.30	Tea/Coffee break	
15.30 – 17.00	What should be the priority issues for studies in the countries of South Asia? <ul style="list-style-type: none"> • Bangladesh • Bhutan • India • Iran • Maldives • Nepal • Sri Lanka • Pakistan 	Chaired by a Malé country representative
19.00	Welcome Dinner	

Tuesday Oct 16

Date	Programme	Lead facilitator
08:30-10.00	Studies in Bangladesh under the Malé Declaration	Dr Salim
10.00 – 10.30	Tea/Coffee break	
10.30 – 12.00	Studies in Bangladesh under the Malé Declaration	Dr Salim
12:00-13:00	Lunch	
13.00 – 14.30	What has been done to reduce health impacts of indoor and outdoor air pollution in South Asia, and has it worked? Bangladesh Bhutan India Iran Maldives Nepal Sri Lanka Pakistan	Workshop facilitated by Frank Murray
14.30 – 15.00	Tea/Coffee break	
15:00 -16.00	What should be the priorities for interventions in South Asia, and what is needed to make them happen?	Workshop facilitated by Frank Murray
16.00 – 17.30	<i>Demonstration of particulate matter monitoring technologies and their use in health related indoor and outdoor air quality monitoring studies</i>	Dieter Schwela

Wednesday Oct 17

Date	Programme	Lead facilitator
08.30 – 10.30	<i>The use of SIM-Air in the rapid assessment of effects of air pollution on health.</i>	Dr Sarath Guttikunda
10.30 – 11.00	Tea/Coffee break	
11.00 -12.30	Experience with the use of SIM-Air by the countries of South Asia	Workshop facilitated by Dr Sarath Guttikunda
12:30-13:30	Lunch	
13.30 – 15.00	<i>The use of SIM-Air in the rapid assessment of effects of air pollution on health (Continued).</i>	Dr Sarath Guttikunda
15.00 – 15.30	Tea/Coffee break	
15.30 – 17.00	What practical methodologies can we use to study effects of OUTDOOR air pollution in South Asia?	Workshop facilitated by Frank Murray

Thursday Oct 18

Date	Programme	Lead facilitator
09.00 – 10.30	What practical methodologies can we use to study effects of INDOOR air pollution in South Asia?	Workshop facilitated by Dieter Schwela
10.30-11.00	Tea/Coffee break	
11:00-12.30	What resources would be required for these studies and potential for collaboration on studies?	Workshop facilitated by Frank Murray
12:30-13:30	Lunch	
13.30 – 13.45	Synthesis: What are the take-away messages and future plans and opportunities	Frank Murray, Dieter Schwela
13.45 – 14.30	Closing ceremony and course review	Frank Murray
14.30 – 15.00	Tea/Coffee break
