

Malé Declaration workshop on Evaluation of Corrosion Attack on Materials
UNEP Regional Resource Center for Asia and the Pacific, Bangkok, Thailand from 9th to 11th October 2006.

Date	Programme
Monday Oct 9 08:30-9:00	<p style="text-align: center;">Opening Section</p> <ul style="list-style-type: none"> • Welcome Remark by Surendra Shrestha, Regional Director, UNEP Asia and the Pacific • Remarks by Dr. Johan Tidblad, Corrosion and Metal Research Institute, Sweden • Overview on implementation of Malé Declaration by M. Iyngararasan, UNEP <p style="text-align: center;">Tea/Coffee break</p>
	<p><i>Evaluation of Corrosion Attack on Materials</i></p>
9:30-12:30	<ul style="list-style-type: none"> • Background of the workshop, project and CORNET • Presentation of all participants. • Objectives of the workshop. • Discussion of expectations of participants
12:30-13:30	<p>Lunch</p>
13:30 -17:00	<ul style="list-style-type: none"> • Sample preparation before exposure including surface treatment, marking, weighing and packing • Exposure of samples at racks, withdrawal and storage. • Tea/Coffee break • Specific instructions for stone samples. • Conditioning and start of analysis of stone samples
Tuesday Oct 10 Morning 09:00-12:30	<ul style="list-style-type: none"> • Continued analysis of stone samples and importance of the conditioning. Analysis of spread from the cut of painted samples • Tea/Coffee break • Corrosion attack for metals: determination of first pickling point
12:30-13:30	<p>Lunch</p>
Evening 13:30-17:00	<ul style="list-style-type: none"> • Analysis of results and calculation of corrosion attack. • Tea/Coffee break • Overview of standardisation in corrosion. Summary of important points. Course review and closing
Wednesday Oct 11 Morning 09:00-12:30	<ul style="list-style-type: none"> • Overview of results obtained so far in the network. Discussion of publication of results. • Tea/Coffee break • Collection of environmental data. Status report from all participants. Expectations from the trend exposure and sample analysis
12:30-13:30	<p>Lunch</p>
Evening 13:30-17:00	<ul style="list-style-type: none"> • Future activities. Description of case study in Katmandu including kit for rapid assessment of corrosion, mapping and stock at risk. • Tea/Coffee break • Transfer of ownership. Links between Asia, Africa and Europe. Appointment of sub-centres. Next meeting
