

Malé Declaration on Control and Prevention of Air Pollution and its Likely Trans-boundary Effects for South Asia

Programme

5th Emission Inventory Training

23-25 May 2012

Colombo, Sri Lanka

First Day 23.05.2012

08:00-08.30	Opening Session <i>Registration of participants</i>
08.30- 10.00	<i>Arrival of chief guest (Secretary, Ministry of Environment)</i> <i>Lighting of traditional oil lamp</i> <i>Welcome address by DG CEA</i> <i>Opening Remarks (Secretariat)</i> <i>Opening remarks by DG/SACEP</i> <i>Opening Remarks by Chairman /CEA (Role of the Malé Declaration Regional Centre on Emission Inventory)</i> <i>Opening Remarks by UNEP</i> <i>Opening remarks by Secretary /ME</i> <i>Vote of thanks by CEA</i>

Coffee Break (10:00-10:30)

10:30-12:30	<i>Session 1.</i> <i>1. Short-Lived Climate Forcers and Male' Declaration (Mr. M. Iyngararasan)</i> <i>2. Aim and structure of training program by CEA</i> <i>Session 2</i> <i>Individual presentations from Malé Declaration countries: Progress with emission inventories (results so far, problems, data gaps and how they will be addressed etc.)</i> Bangladesh Bhutan India
-------------	---

Lunch Break (12:30-13:30)

13:30-15:15	<i>Session 2...continued</i> Individual presentations from Malé Declaration countries (continued): Iran Maldives Nepal Pakistan Sri Lanka
-------------	--

Coffee Break (15:00-15:30)

15:45-17:15	<i>Session 3</i> Troubleshooting: <i>Addressing common areas of difficulty and issues that may arise from country presentations (e.g. data quality issues; how to correctly interpret energy use statistics and balances tables; how to inventory emissions from LPS.....)</i>
-------------	--

Second Day 24.05.2012

Combined National and International Experts

08:30-10:00	<i>Session 4</i> Troubleshooting (continued) and internal Quality Control (QC) checks of national inventories
-------------	---

Coffee Break (10:00-10:30)

10:30-12:30	<i>Session 5</i> Compiling national emissions inventory for 2005 using Malé Manual and Workbook (<i>participants to continue compiling inventories using national activity data and continue QC</i>)
-------------	--

Lunch Break (12:30-13:30)

13:30-15:30	<i>Session 6</i> Compiling national emissions inventory for 2005 using Malé Manual and Workbook (<i>participants to continue compiling inventories using national activity data and continue QC</i>)
-------------	--

Coffee Break (15:30-16:00)

16:00-17:30	<i>Session 7</i> Quality Assurance (QA) exercise: <i>Participants to swap inventory workbooks (and data used) with participant(s) from a different country and then carry out QA on the other country's inventory. Report back to group.</i>
-------------	--

Third Day 25.05.2012

Air pollution modeling the Malé Declaration Integrated Information and Assessment (IIAS) tool

08:30-10:00	<i>Session 8</i> Quality Assurance (QA) exercise (continued): <i>Group discussion of issues arising.</i> Session 9: Emission Inventory and Air quality modeling Integrated Emission Inventory and dispersion modeling in AQM (Mr. Didin Agustian Permadi) Introduction to IIAS (Didin)
-------------	---

Coffee Break (10:00-10:30)

10:30-12:30	Session 10: IIAS current status and future development Computer exercise of IIAS (Didin) Further improvement of IIAS (Mr.Didin Agustian Permadi))
-------------	---

Lunch Break (12:30-13:30)

13:30-15:30	Future plans for completion of national inventories: Deadlines for report write-ups and submission of completed workbooks and reports to the Regional Centre on Emissions Inventories at CEA, Colombo.
-------------	--

Coffee Break (15:30-16:00)

16:00-17:30	<i>Closing session</i>
-------------	-------------------------------
