I The Annual Network Meeting 2005

- Proceedings
- Attachment I : Agenda
- Attachment II: List of Participants
- Attachment III: Presentation on Progress in the Implementation of Male' Declaration and plan for Phase III by UNEP RRC.AP
- Attachment IV: Presentation on plan for Phase III by SEI
- Attachment V: Presentation of Implementation of monitoring and plan for Phase III by Bangladesh
- Attachment VI: Presentation of Implementation of monitoring and plan for Phase III by Bhutan
- Attachment VII: Presentation of Implementation of monitoring and plan for Phase III by India
- Attachment VIII: Presentation of Implementation of monitoring and plan for Phase III by Iran
- Attachment IX: Presentation of Implementation of monitoring and plan for Phase III by Maldives
- Attachment X: Presentation of Implementation of monitoring and plan for Phase III by Nepal
- Attachment XI: Presentation of Implementation of monitoring and plan for Phase III by Sri Lanka
- Attachment XII: Discussions to update the technical manuals developed for monitoring transboundary air pollution under the Male' Declaration
- Attachment XIII: Presentation on Objective of Air Quality Monitoring by IVL

II The Second Regional Stakeholder meeting

- Proceedings
- Attachment I : Agenda
- Attachment II: List of Participants
- Attachment III: Presentation on Male' Declaration and its Implementation by UNEP RRC.AP
- Attachment IV: Presentation on RAPIDC and its implementation by SEI
- Attachment V: Presentation on Scenarios and policy options by IIIIE
- Attachment VI: Presentation on overview of national level Implementation of Malé Declaration by NIAs

- Attachment VII: Presentation on Impact of air pollution on crop by Prof. S. Razi Abbas Shamsi
- Attachment VIII: Presentation on Health impact of air pollution (asbestos) by Dr. Joshi
- Attachment IX: Presentation on Air Quality Modeling by Prof. Manju Mohan IIT, Delhi
- Attachment X: Presentation on Application of Models for Air quality management for Indian cities by Dr. A.L. Agarwal
- Attachment XI: Presentation on Monitoring transboundary air pollution using passive sampling by Karin
- Attachment XII: Presentation on Transboundary pollution in Sri Lanka: A case study from the north-central province by Prof. Oliver A.Ileperuma

III The First Regional Coordination meeting

- Proceedings
- Attachment I: List of Participants
- Attachment II: Presentation on Success stories in Air Pollution control in India by Dr. B.Sengupta, Member Secretary, CPCB
- Attachment III: Presentation on Air pollution and asthma: recommendations of an international workshop...
- Attachment IV: Presentation on Convention on Long range transport of Air Pollutants by Keith Bull (UNECE)
- Attachment V: Presentation on East Asia Network on Acid deposition (EANET) by Aida Roman
- Attachment VI: Presentation on other initiatives by UNEP RRC.AP

LIST OF ACRONYMS

DoE	Department of Environment
CPCB	Central Pollution Control Board
EANET	Acid Deposition Monitoring Network in East Asia
ICIMOD	International Centre for Integrated Mountain Development
IIIE	The International Institute for Industrial Environmental Economics
IIT	India Institute of Technology
IUAPPA	International Union of Air Pollution Prevention and Environmental Protection Associations
IVL	Swedish Environmental Research Institute Ltd
MoC	Monitoring Committee
MoEF	Ministry of Environment and Forest
NFP	National Focal Point
NIA	National Implementing Agency
RAPIDC	Regional Air Pollution in Developing Countries
SACEP	South Asia Co-operative Environment Programme
SEI	Stockholm Environment Institute
Sida	Swedish International Cooperative Development Agency
UNCEC	United Nations Economic Commission for Europe
UNEP/ ROAP	UNEP Regional Office for Asia and the Pacific
UNEP/RRC.AP	United Nations Environment Programme / Regional Resource Center for Asia and the Pacific
