

Elaboration of the section “Expected performance against Investment criteria” for a GCF Concept Note proposal

Sessions 11 and 12

Your task

Group work session

- Each group to **elaborate several main points** to be included in your proposal for **section D** of the Concept Note template entitled “Expected performance against Investment criteria”.
- **Write up** arguments (use computer) – select **reporter**.
- You have **1.5 hours** (**split in sub-groups**, in case).
- Select **presenter**.

Plenary session

- Selected groups will present their arguments.
 - Each presentation will be discussed in plenary.
- 😊 Good luck – trainers will support you 😊

Keep in mind

- To guide your work use the [Concept Note's User Guide](#), section IV.
- Also use the file entitled "[Annex III: Initial investment framework: activity-specific sub-criteria and indicative assessment factors](#)" → the GCF will use these factors to assess your proposals, therefore try to respond to these as good as you can
- You may also want to look [approved funding proposals](#). There may be some arguments included there which give you new ideas.
